

# 2008 Restricted Parking at Sandy Beach

July & August  
10:00am – 4:00PM

Restricted parking at the Sandy Beach parking area will once again be implemented throughout July and August in an effort to reduce overcrowding in the parking area on weekends. Access to beach parking will be restricted to Lee residents and their guests with parking permits.

A Seasonal Police Officer will check vehicles entering the beach parking access road for the appropriate permits on designated dates and times. Vehicles without the appropriate parking permit will be denied access to the beach parking lot.
